1. Holding our own Democratic Convention was one big part of Senior Social Science. Here, we took advantage of Mr. Kocos by "advertising" on him. 2. Taking time out from the ol' daily grind, Mr. Kocos tells Mr. Kohn "what he did last night." 3. As National Honor Society advisor, Mr. Kocos gets a chance to relax and let students take over. 4. Serious consideration of every angle is one of Mr. Kocos' most admirable qualities. 5. Mr. Kocos led us, the graduating class of nineteen hundred and seventy-two to the Parker Cup two years in a row.

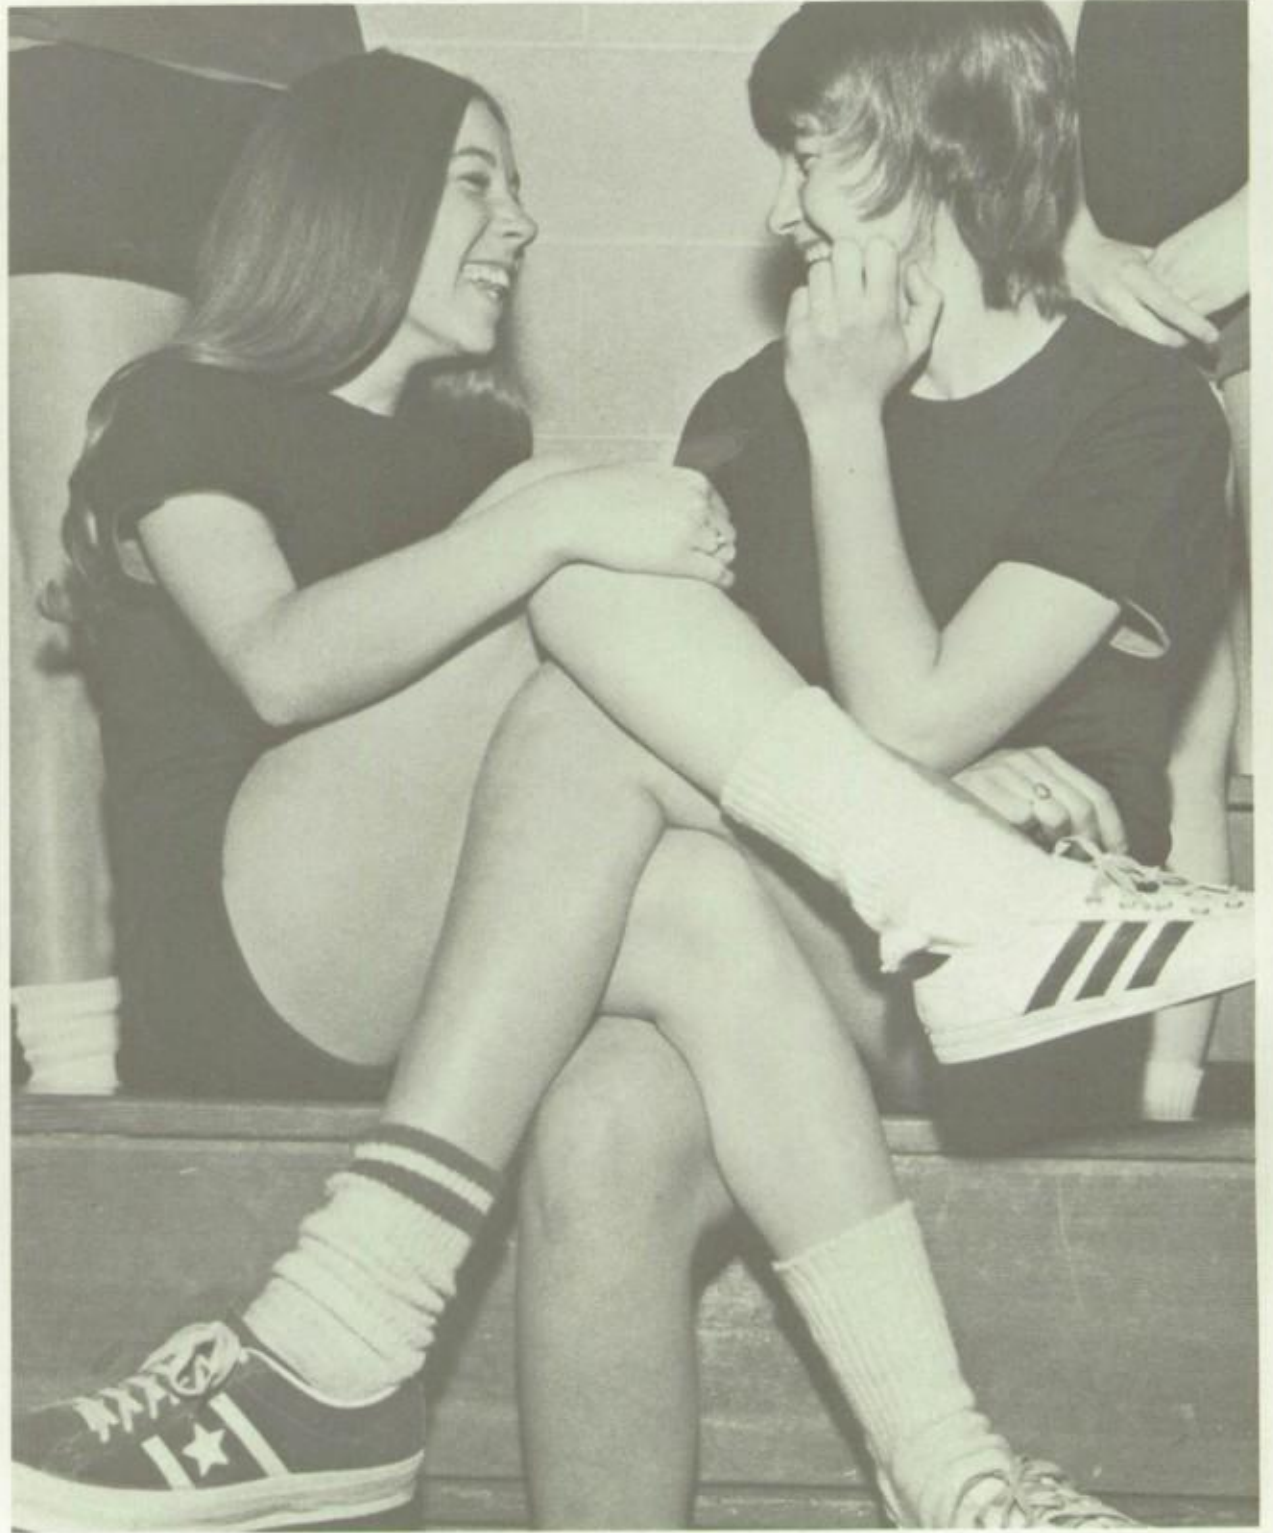

. . . A man who was with us from our ripening age as freshmen to our melting age as seniors . . . who was there with a word of advice and a stern hand as we wandered down the halls of experience, that is the reason this yearbook of 1972 is dedicated to him . . . we love you, Mr. Kocos . . . thank you.

Thanks to Mike DeNell, Horace Mann's audio-visual director, students' classes contain much variety. He takes care of things such as duplication and even movies to give our everyday classes a little "boost" now and then. 2. We know custodians Mr. P. Vanderboom, Mr. C. Lange, and Mr. J. Will are always handy when students and faculty are in despair. 3. Without this group of men; Mr. D. Bolongia, Mr. R. Wiegely, Mr. J. Wies, Mr. W. Kaiser, Mr. B. Grundman, Mr. J. THOUGHTS FROM OUR ADMINISTRATOR

The students of Horace Mann High School are developing an excellent school spirit. It is a pleasure to be associated and work with and for you. Just by walking the halls and attending some of your functions gives any observer the opinion that you are a student body in which all of us can be proud.

This year the staff and student body was called upon to incorporate the junior high program within the high school building. The challenge of changing rooms, lockers, etc. overnight was conquered with the minimum of disruption.

My goal is to work towards providing you the facilities, staff, curriculum, and opportunities of achieving the type of education to fulfill the goals you set for your life.

THE HALLS ARE ALIVE WITH THE "SOUND OF MUSIC"

This year, the Horace Mann Music Dept. put in many long hours of preparation for their performances. Besides their annual Pops, Xmas, and Spring concerts, they prepared for the District Music Contest. Profitable experiences and joyful times were shared by all.

The products of their imaginations are displayed in the library where they are receiving the praise of all visitors. The library itself is expanding with new tables, shelves, and many new research materials to fill this additional space.

NEW SKILLS AROUSE DREAMS OF BUSINESS "TYCOONS"

Typing, shorthand, office machines and bookkeeping are a few of the many courses offered to those who may want to pursue a business career. These subjects require a lot of practice and memorization on our own part despite our teachers efforts to force the knowledge into us.

HOME, SWEET HOME

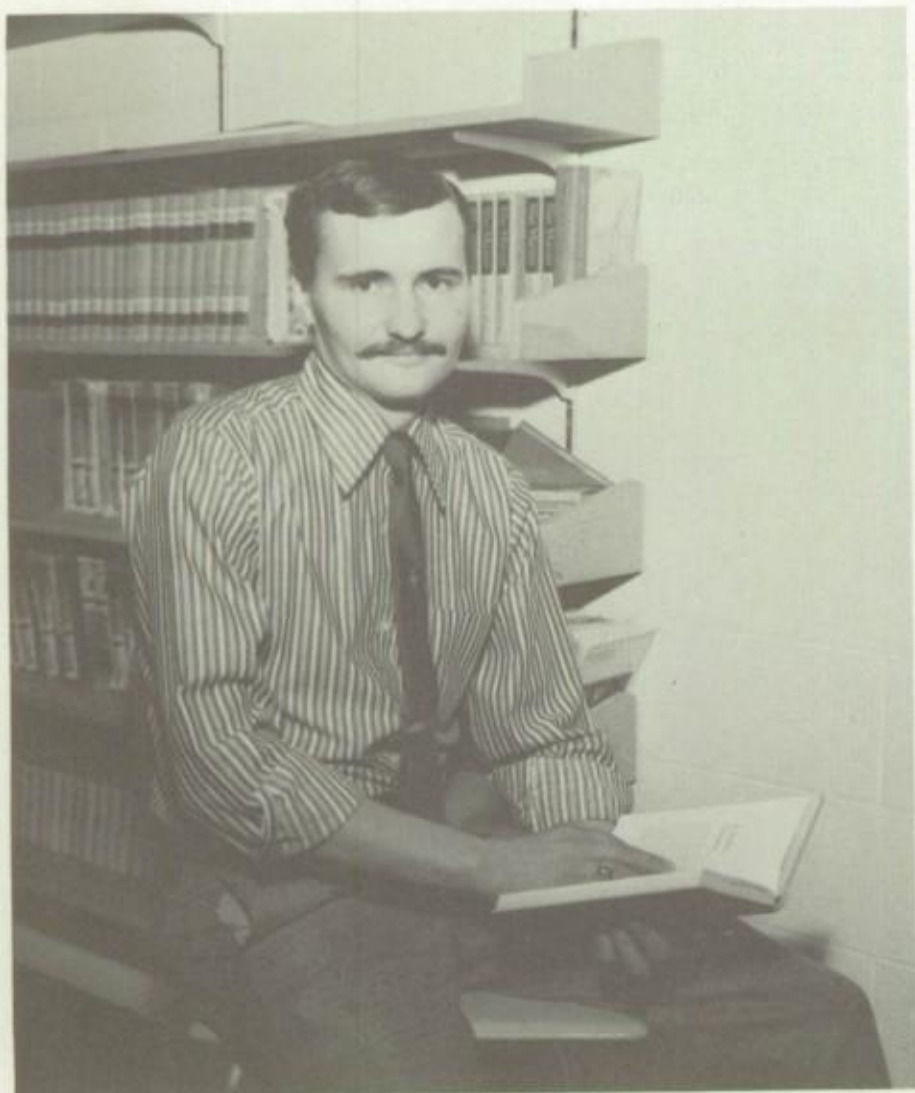

Sugar and spice and everything nice, that's what Home Ec. classes are made of. Where else could a girl learn to make a meal fit for a king or to sew up a storm, practical experiences that will be so important in the future! SHAPE UP FOR GOOD HEALTH

This year there are more activities in the gym classes than in years past. We are able to learn dancing, track and really almost any sport imaginable. It is not all fun and games. Besides participating in sports, we study and learn the rules for tests given by our teachers. We also have health classes where we are taught about the "Facts of Life". The '72 accomplishments add up to a year of experience.

TIME WEARS AWAY ERROR . . .

Our science department worked hard this year to keep our interest up. The wide range of courses offered, including Biology, Physics, Chemistry, and the study of space, gave us the opportunity to experiment and to make our own discoveries. Getting the new Project Physics course on the road and having two different teachers for Biology complicated things; but, everything was clear in the end.

This year our Student Council did make quite a few changes! One of the new things tried was the student forum, where students were given a chance to express their opinions. One forum was given each semester. Another different project was the making of the budget. Here the council allotted certain functions to each school club so that they could raise money to pay for their expenses. Among other projects was the making of the social calendar and the activity booklet which is given out each year to the in-coming freshmen. 1. Mrs. N. McAuly, student council advisor for 1971-72, put in many long hours helping this year's student council. 2. 1971-72 Student Council includes: Ken Hills, Rochelle Hanson, Laura Liveri, Paula Jasman, Renee Rymer, Barb Krug--President, Brenda Cordrey--Vice President, Lis Gerber, Cheryl Zoch, Scott Woodley, Bruce Barber, Rita Ziegelbauer--Treasurer. 3. The more independent members of student council are: Lori Smith, Jerry Bindert, Donna Tautges, Debbie Schaub. 4. The Future Business Leaders began the year with a fifty-mile hike earning \$300.00 for Mental Retardation. The bake sale and cherry pie sale raised money for the April State Leadership Convention. FBLA received their charter at an induction ceremony in December. New projects during this school year include a bake sale to save the Octagon House and making booklets for the Head Start Program. At the left, Pres. Cheryl Meinke and Sec.-Treas. Gail Failor demonstrate the "hard work" performed each day in the library by club members. Vice. Pres., Diane Reitz, was unable to be present for pictures.

NF CHESS CLUB JOINS U.S. CHESS FEDERATION

The North Fond du Lac Chess Club obtained a membership in the United States Chess Federation during 1972 in order to receive their publications and catalogs.

This membership also entitles the N.F. chapter to play other USCF members in the area and thereby obtain a USCF standing.

1. Passing 19,322 inches wasn't any big chore for Senior quarterback, Greg Provo. 2. Calling wingback, Rick Alfuth, a "beast" isn't an understatement . . . he totaled 45 tackles this season! 3. What we want to know is . . . why is making a touchdown so easy for tailback Tim Nelson? 4. Liking averages, Bob Holzman thought he'd set a 1972 high of 7.75 yards average gain per carry. 5. Jeff Patt's good looks never interfered with his ability to rush a total of 419 yards in his final football season. 6. Being a muscular 295 pounds is enough for George Schulze! 7. Being the helpful type--Senior, Don Gudmundson, aggressively assisted in 25 grueling tackles for his 1971 season. 8. It is no wonder that they call Greg Bellmer "Egor" . . . 62 tackles in one season alone! 9. Being stifled with a leg injury didn't even slow down tough Senior tackle, Larry Erke. 10. Won't tackle Mark Wiener be proud to find out he helped North Fondy gain 1420 yards this season? 11. 6'1", 175 pounds--Steve Logan (better known as "Hogan") found it easy to get with the program in his last, but successful year on the gridiron.

MEMORIES OF GLORY

3 4

1. Basketball requires much thought and concentration. Coach Joe Janzen has his freshmen trained in just that way--you can tell it by Robin Eder's face. 2. "The huddle" is a familiar part of ANY sport. 3. Coach V. Noordyk carried our team through some of the most successful and some of the most trying seasons in the history of N.F.H.S. Back in 1968, he brought our team to be first in the Scenic Moraine Conference. Although every year wasn't quite this successful, the status of North Fondy remained high--even through our switchover to the New Flyway Conference. He brought the class of '72 to be men. Now, as he resigns from the coaching staff, the men of '72 want to say "thank-you." 4. Making a lay-up shot is one of the basic fundamentals of good basketball, as Randy Gorske shows us here.

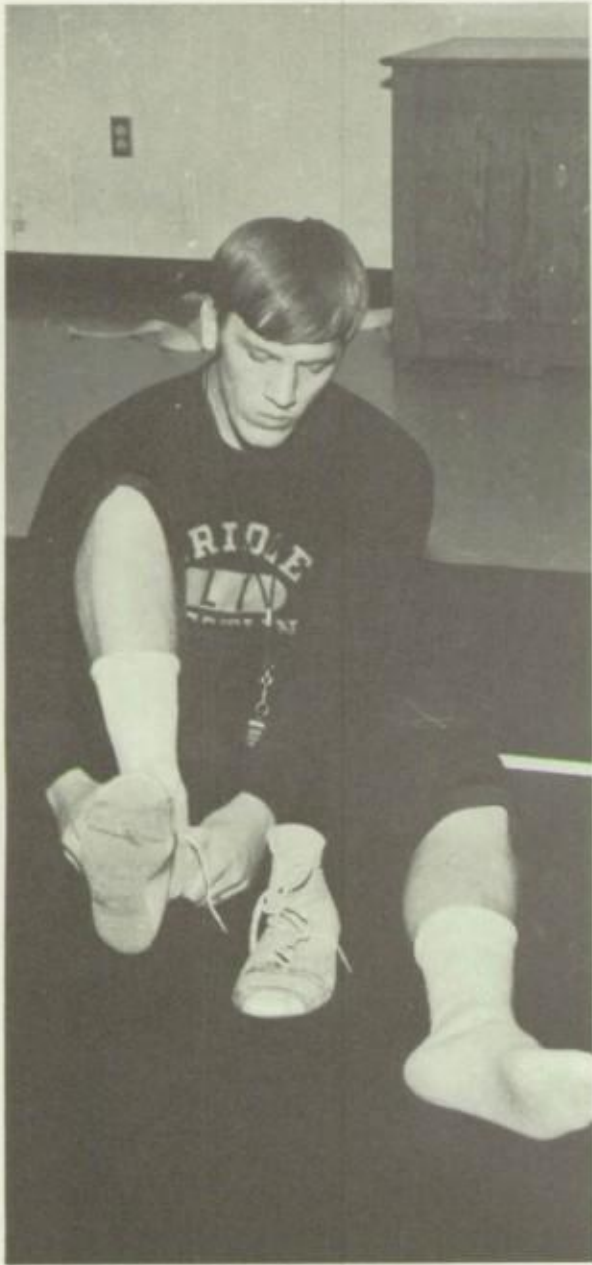

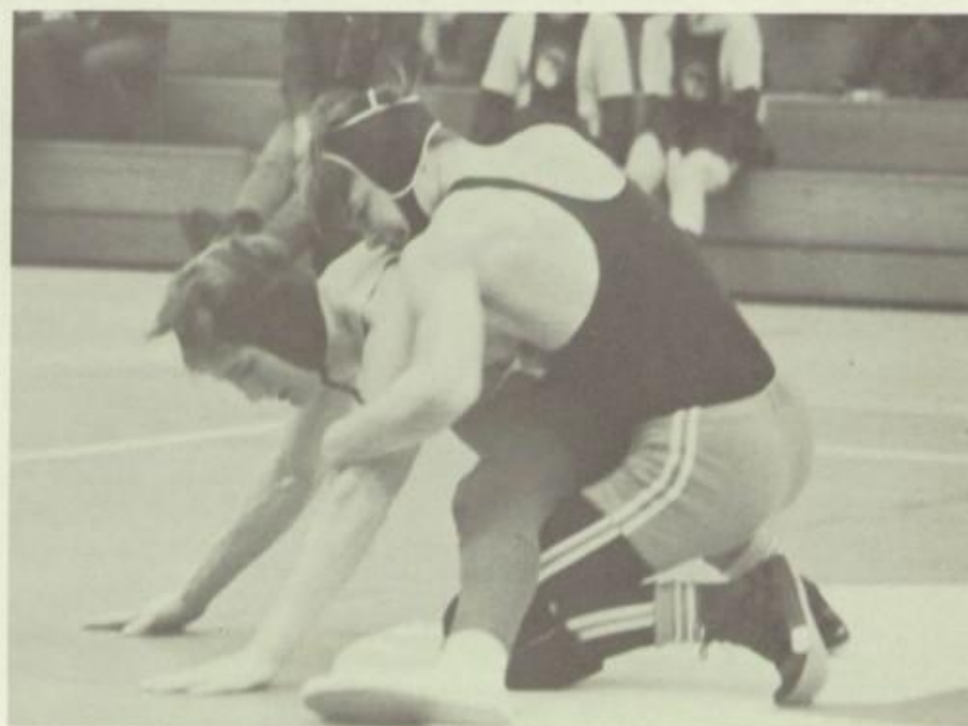

1. 1972 Powerlifters, Top: I. Moser, C. Trewin, B. McArdle, D. King, G. Schulze, J. Beier, J. Thornburg, G. Rost, G. Fechhelm, P. James, Coach Stella. Bottom: B. Holzman, T. Beaster, E. Tautges, G. Being on Super 1000 Club is an honor and a task. To attain membership, 1000 lbs. must be lifted in only three lifts! Standing: G. Schulze, M. Wiener. Row Two: T. Beaster, G. Bellmer. Bottom: R. Alfuth, D. Gudmundson.

These Oriole wrestlers performed at practice by showing us a famous "wrestlers bridge." 4. Senior 132 Lb. Bob Holzman displays his talent by "breaking down" his much despised opponent. 5. Yes, folks, wrestling practice is SO tough! 6. By the look on Mark's face, either practice is done . . . or he knows something we don't!

TRACK STARS RUN AWAY WITH FLYWAY TITLE

3	4

For the 1972 track season Coach Reszka's track men proved themselves by taking not only the Blackhawk invitational, but the second consecutive Flyway conference title. Records were broken and the hand of victory was held over OUR track team's heads. Especially proud were we when we saw what we thought of as our mere classmates emerge as powerful stars.

OVER HILL, OVER DALE . . .

	1
2	3

Although it seems like a simple sport, Cross Country is a grueling and tiring race. Two and one-half miles over terrain of Town and Country Golf Course is consumed by these hard-working young men. Victorious in none of their meets this year, the squad remains "psyched-up" to give it another go next year.

1. 1972 Cross Country Team: Jim Hess, Mark Rashid, Ken Schulze, Joe Bestor, Steve Arthurs—Mgr., Tim Fox, Don Hess, Coach Janzen.

2. Freshman, Mark Rashid, proves himself to be a good prospect for his future Cross Country career.

3. Coach Joe Janzen knows the "ins and outs" of good cross country training.

"SENIORITIS"

$\frac{1}{2}$

1. Senior Class advisers, Mr. Gus Kocos, Miss Bonnie Gruner, and Mrs. Eleanor King examine the gowns used in the past for graduation ceremonies as well as for choral concerts. This year, the class of '72 is going out in a blaze of color--green robes! We hope rental price won't be raised on those returned with tear stains. 2. Vice-president, Rick Alfuth, does NOT have a head as big as the water tower; but, on one winter day (note the polluted snow), he thought he'd better call in witnesses to prove it. Mary Rashid, secretary; Jean Kruck, treasurer; and Jeff Patt, president, have to admit that he's right.

1. Sharon Harden displays the "proper" way to dispose of a pop can. 2. Senior Guys "get it on" at Sadie Hawkins. They're no Jimmy Dorsey, but we had fun crooning to the tunes, anyway. 3. Taking that last giant step, off the curb—into the road of life . . . 4. Here, Pete and Re-pete take a break from their grueling daily activities by "coo-che-cooing" Mr. Reehl's poodle. 5. "Make love not war," Mary Stephany says as she plants a hot one on Kenny Hills' cheek. 6. Nancy Bacon, are you winking at us, or is that clay all over your face pasting your eye shut? 7. The fleeting glances as we take one last look at the eyes of our friends, another look at Mom's tears and Dad's proud smile, thinking of at least one relationship with each and every classmate . . . yes, nothing IS left but a majestic memory. 8. "Mr. Stella! Optimist meet, here I come!" says Carol Heise. 9. Janet Hensel, Mary Rashid, and Brenda Cordrey show their school spirit by frequenting spring track meets.

The 1972 Oriole staff extends a big thank-you to Mr. Gordon Terpstra and to Mr. Donald Terpstra for their pep talks and understanding counsel. They are our "patrons" in a very special sense because of their valuable aid in recording these 1972 memories.

Jane,
 What's this in leaving
 about parties? Anyway,
 we had a great time last
 year. A few things got
 slightly messed up but
 all in all everything
 turned out. This year
 should be great considering
 we graduate.

Hi Jane,

Well here it goes. You've always helped me through a lot from June to Ellen + then from Rick to Jim. What a drastic change! I ~~hope~~^{know} this year is going to be really sad, cause it's our last. But we'll make the best of it. Hey man, remember Fuji, Mike, Mark, Rick etc. etc. Day those were the days. Then remember our Sophomore year & all the fights between you + John + me + June. Oh - Out! But I know we are best friends & always will be. Remember are "little" talks we had. Some weren't so good, but others were a lot better. Well I regret getting married in the month of my X boyfriend's X girlfriend's ^{name} because well you know. I can't wait till, till, till it comes. But why he's gone I'll make the best of $\frac{1}{2}$ free life. Jane always remember me, cause I know you'll never be forgotten in my books. Be careful of all those nasty guys. Take Care Jane. We all love ya. ME & whoever that's! Cares about you.

Hi Jane,
You've been a
great person
I know because I feel
we understand each other,
I really don't want to graduate
my friend mean more than a diploma
We've been very close and I hope we'll
never change. Because your the greatest so
stay the way you are. People seem to be getting
further away already. Do you see where every one
seems to be going their own way? You've helped
me in many cases I just hope someday I can help you.
You can get any guy you want so I don't have to give
you good luck on that. I hope you're life never
has a miserable day in it. Don't be like me because
then every day is torture. Don't ever lose your girlfriends
over a guy. Because you'll never get that good
back with ~~the~~ girls ~~was~~ once you lose him. You'll feel
left out but your the one that left them out. I better
shut my mouth. Your a meat and ben individual.
Good luck with guys and life. Always ~~take~~ it's
ups & downs. But never forget me because
I won't you.
Love & Peace
Ellen

Less than a year to go
 and I can hardly wait for
 the rest of the school year. With
 the big bad Dennis as Mr.
 Kees would say. It was
 our an experience in the
 damn whole of a school. I would
 not wish this on my worst
 enemy ~~and~~ no matter who it was.
 Well at least I had some decent
 friend to suffer with me.
 Be good & God Bless. Good luck
 now & in the future.

Jane!
